Serve your community and develop your professional skills through a year of service with AmeriCorps VISTA! In this in-person position, the Town of New Market Community Programming VISTA will build capacity by revitalizing the currently underutilized community center and its programming. The Member will do so by drafting a program development plan, expanding community engagement and support, and identifying resources to promote long-term financial sustainability. The right fit for this position will have strong in-person, phone, and written communication skills to engage all sectors of the community in building capacity and vision for a vibrant and supportive community center. The applicant should have a valid driver's license and good driving record.

The Town of New Market plans to increase community connectivity and provide resources for the town's community members through the revival of the New Market Community Center. The Community Center will provide resources such as food and health-related services to community members struggling with poverty. As the Community Programming VISTA member, you will address poverty by helping the Community Center reach its full potential through grant writing and program development!
