Serve your community and develop your professional skills through a year of service with AmeriCorps VISTA! In this hybrid position, the Bay Aging Regional Resiliency VISTA will increase Bay Aging's capacity by leading the Regional Resiliency Workgroups in advancing actionable solutions to resilience challenges in their communities. The Member will do so by increasing the participation of the Core Workgroup and subgroups, coordinating the development of subgroup projects, and facilitating resource development. The right fit for this position will have strong computer skills (Microsoft Word/PowerPoint/Excel, Google, PDF Conversions, etc.), strong writing skills and time management, ability to read and comprehend complex policies/literature and reports, and to communicate with a broad range of stakeholders. Grant writing experience preferred. Driver's license required.

Bay Aging provides services to individuals of every age that allow them to live independently. Serving the Middle Peninsula and Northern Neck, they offer a range of services that support independence, such as housing, transportation, and health services. As the Regional Resiliency VISTA member, you will address poverty by facilitating focus groups working to improve the community!
