Serve your community and develop your professional skills through a year of service with AmeriCorps VISTA! In this hybrid position, the Federation of Virginia Food Banks Food Navigation VISTA will build capacity by streamlining and standardizing food navigation processes across seven food banks statewide. The Member will do so by evaluating current food navigation processes, developing standardized processes, and supporting the implementation of a shared system. The right fit for this position will be self-driven and highly motivated with a passion for serving low-income communities through capacity building in food security and healthcare initiatives. Strong organizational, communication, and project management skills are essential. Experience with stakeholder coordination and process improvement preferred. Applicants should have a valid Virginia Driver's License or other means of reliable transportation.

The Federation of Virginia Food Banks is a collaborative network of seven regional food banks and more than 1,000 agency partners whose goal is to build healthy, resilient communities through access to food. Through this collaboration, Virginians throughout the Commonwealth have improved nutrition security and access to health food choices. As the Food Navigation VISTA, you will address poverty by creating a streamlined food navigation system for Virginians facing hunger.
